

Rules, Guidelines, & Expectations

1. Make sure you bring your work or notes from class so that you will know what areas you need the extra help.
2. Take notes when you do NOT understand a certain thing in the class. Save all the notes in a folder and bring them with you to tutoring on Tuesdays. If you need a notes folder, just let us know and we can get you another folder or binder.
3. Tutoring is to HELP those who need the extra time and instruction.
Tutoring is NOT for visiting friends, playing, and goofing off. If you are unable to stay focused and hinder the teaching/learning, we will call parents to come to pick you up. If it continues, you will be dismissed from the tutoring program.
4. We will have GIFT CARD Give-A-Ways once a month! Each time you attend tutoring, your name will go into the bowl. We will pick one name each month to win a gift card to various fast-food restaurants or even Walmart.
5. If you are having a hard time in any other classes, please let us know. We will be getting tutors to help cover other academics as well. Take notes on what parts you are struggling with, so we will know HOW to help you in that area.
6. If you need supplies from the teen pantry, please just let Mrs. Felicia or Mrs. Laura know. We do keep an inventory and need to make sure that we record all items going out of the pantry, so we do not run out.
7. We will provide snack baskets on the tables and drinks for tutoring. Please do not open other snack items in the pantry though, as those are for distribution when the Teen Pantry is opened.
8. All teens are welcome to come to get supplies and food on the 1st and 3rd Saturday 8am till noon each month, at no cost. We do not abide by income as the Pantry is open to any teen who needs supplies.

I agree to follow the rules given. I understand that I can be dismissed from the tutoring program if I am unwilling to follow the rules set in place. I also understand that there is video security in all rooms of the outreach recording at all times (with exception of restrooms).

Student Name _____

Parent/Guardian Name _____

Parent/Guardian Contact Number _____

Second Contact number for emergencies _____
